

CHARTERED PROFESSIONAL ACCOUNTANTS LLP

Senior Account Manager / Future Partner

MPW Chartered Professional Accountants LLP is a fast growing accounting firm with offices located in Sarnia, Wyoming, Strathroy and Forest.

We tax and accounting services to individuals and corporations in a wide range of industries.

We are currently seeking a Senior Account Manager for our Reece's Corners office. The candidate also understands that there is great potential for partnership within our firm.

If you have the required background and are looking to work hard with a growing firm that offers the opportunity for personal growth within a great workplace, please respond to this ad, in confidence.

The ideal candidate:

- Has 3—8 years' experience as a CPA in a public accounting firm;
- Has 1+ years of management experience in an accounting and/or assurance role;
- Has a strong working knowledge of Accounting standards for private enterprises (ASPE);
- Has a good understanding of taxation in the Owner Manager environment;
- Will act as a leader in the Firm, continually focused on employee engagement;
- Sets the standard for our staff, by leading by example with integrity and strong ethics while providing support and opportunities for professional development;
- Will be able to review the work of junior staff;
- Has excellent interpersonal and leadership skills;
- Has excellent computer skills with a good working knowledge of CaseWare and TaxPrep;
- Has excellent client communication skills;
- Experience in agriculture is an asset.

Duties and Responsibilities

- Preparation and completion of working papers, financial statements and tax returns for compilation and review engagements according to Firm and regulatory standards for clients in a variety of businesses;
- Preparation of complex personal tax returns;
- Supervise accounting staff;
- Review the work of junior staff to ensure there is minimal errors;
- Properly follow the firm's processes to maintain quality control;
- Handle client enquiries and requests with expertise and professionalism;
- Facilitate and manage client deliverable deadlines.

Competitive remuneration based on qualifications and experience of the applicant.
